

CAAIEYC Director's Roundtable 2009 - 2010

Announcing another stimulating season of Director's Roundtable, sponsored by CAAIEYC! This fall, the workshops will be centered on the book, "Leadership in Action: How Effective Directors Get Things Done", by Paula Jorde Bloom. This book is part of the Director's Toolbox series from Bright Horizons. The facilitator will be CAAIEYC president, Amber Ruch, and we will continue to center on strengthening leadership skills by understanding our own leadership style, increasing interpersonal understanding among staff, increasing shared commitment to center goals, and making and implementing action plans to support continuous quality improvement.
